when the dialog box is able to be closed without executing a command action, the "X" will appear in the corner.
if this is the case, the user can also close the dialog box by clicking outside of the box.

drop shadow:
refer to "depth" component for shadow specs
box-shadow: 0px 24px 74px 0px rgba(0,0,0,0.32);

maximum suggested height of a single column dialog box is 500px,
if content requires more space then use the two column format

refer to starter-kit-page-types for guidance on internal spacing of elements
